

“Christmas in the Village”

Of Cleves

Always the First Full Weekend in December

As in the past, the Village Christmas Committee will be publishing a newspaper listing special scheduled events and interesting articles. We are now mailing the edition to over 7,000 families. We also place editions in most of the business stores throughout the village and also neighboring areas.

The funding for this celebration is dependent upon those generous contributors who understand the importance of such events to our small village. We are asking for your support by placing an ad in our paper to sell your product or event. Those that increase their ad size from last year or submit payment with the ad will receive a 10% discount! Please enclose your artwork, business card, coupon, etc. with your payment. If you wish for design assistance or to speak to someone personally about your ad, please call:

Tiffiney Myers (513) 919-7881

The Deadline for Ad Submissions is October 31st!

Please mail payment and make checks payable to:
